Currently Accepting Manager Applications for:

San Francisco

Provides exposure to highly qualified U.S. investors and offshore investors with a U.S. presence.

Tuesday, November 7, 2017

**The Battery
San Francisco**

Our signature roundtable format provides a unique, investor-driven opportunity for managers and allocators to have direct and substantive discussion about investment strategies and trends.

Attendance is complimentary by invitation-only to a select group of qualified "Investor Guests". Managers apply to participate in the Forum and are selected with the assistance of certain of our Advisory Board members. There is a participation fee of \$10,000 for each fund.

We have been serving the needs of the alternative investment community since 1999. Over the past 16 years we have produced 65 hedge fund Forums in New York, London, Geneva, Zürich, Dallas and San Francisco.

Please visit our website for additional information.
